WELCOME TO ROBERT J. FRIEDMAN, M.D., P.A.

AUTHORIZATION AND FINANCIAL AGREEMENT

Insurance Coverage

HPC has made prior arrangements with several insurance companies. We will bill those plans with which we have an agreement and will only require you to pay the applicable co-payment or deductible at the time of service. If you have insurance coverage with a plan that we are not participating with, HPC will file insurance claims for you to your insurance for medical services. These patients are required to pay HPC in advance for the estimated cost of services and procedures.

Your insurance policy is a contract between YOU and your insurance company. All health plans are different and cover different services. In the event your insurance company determines a service to be "not covered or not medically necessary" or over the usual and customary charge, you will be responsible for the complete charge.

If you are a Medicare recipient with Supplemental or Secondary insurance that covers the Medicare 20% or Deductible, WE WILL FILE AS A COURTESY. If your Supplemental/Secondary insurance does not reimburse HPC within sixty (60) days, it will become your responsibility. If you have no supplement, or your supplement is with a company that we know does not "crossover" automatically from Medicare, you will be responsible for the 20% at the time of service.

Laboratory Testing

Patients requiring laboratory testing are sent to an outside lab facility that your insurance requires. These lab tests are done at and by its facility and HPC is not responsible for any billing related to those services. If you have any questions about lab or diagnostic test billing, it is your responsibility to contact these facilities direct, not us.

Minor Patients

For all services rendered to minor patients, we will look to the adult accompanying the patient for payment. This parent or guardian will be listed as the guarantor in our system.

Our Office Charges for the Following

Telephone calls from the doctor at the patient's request will fall under our TeleHealth Agreement. If you feel you may need these services in the future, please notify our Staff and an Agreement will be made available to you for your review and signature. TeleHealth consults are typically non-covered by insurance and would be your responsibility. Any and ALL forms to be filled out at your request will incur a fee of $10 and up; Patient's requesting a prescription refill by phone in lieu of office visit will cost $25.00. Returned check fees are $50.00.

Before and After Hour Appointments

Patient appointments before 8:30am and after 5:00pm will incur a charge of $50 for New Patients and $30 for Follow-Up appointments. This charge is not covered by insurances and is the patient's responsibility. You will be required to pay this fee in addition to any applicable copays or deductibles.

Cancelation Policy

With the understanding of the significant expenditures for equipment, treatment supplies, staffing, scheduling, and other costs, once appointments are scheduled the patient is responsible for keeping that appointment. Patients who cancel or miss an appointment without prior 48 hour notice will be charged a fee. Extenuating circumstances will be considered on an individual basis. The charges are as follows: Office Visits: New Patients: $ 150.00; Follow-up appointments $ 60.00; Procedures $130.00 If your appointment is canceled or rescheduled by HPC, you will not be charged for the canceled appointment. If you arrive at the office more than 30 minutes late, this will be considered a no-show in most instances. **Exceptions may be made for acute illness or other emergency only at the sole discretion of HPC.** This charge is not covered by insurances and is the patient's responsibility.

I authorize the patient's insurance company, attorney, or Medicare to pay direct to Robert J. Friedman, MD any medical expenses payable under the terms of the contract. I have read and understand the financial policy of Robert J. Friedman, M.D., P.A. and agree to be bound by its terms. Photocopies of this form will be valid. I also agree that any balance not covered will be paid by me. I understand that should this account be referred to an agency or attorney for collection that I will be responsible for all collection and court costs and attorney's fees. Delinquent accounts beyond 90 days are subject to the maximum interest allowed by law. I further authorize the physician in charge of the care of the patient to administer such medical care as may be deemed advisable in the diagnosis (and treatment) of this patient. I certify that the information I have reported with regard to my insurance coverage is true and accurate. If my insurance company has not paid or denied my claim in 30 days, I give Robert J. Friedman M.D. my consent to seek assistance and lodge complaints to the Insurance Commissioner's office on my behalf. I agree to the policies of this office and wish to be seen.
